

Fashion Design Collection

Overview :-

The world of fast fashion moves at an incredible pace, where changes in designs and colours can happen at the drop of a hat. This course will prepare you for the demands of the industry, and create a collection within the shortest possible time. The development of the design collection takes a look at both the inspirations and practical considerations that go into a design collection. Conceptualise your collection through runway shows, forecast information, directional trends and consumer demands. Get in touch with the process every step of the way from size specifications to overseeing the samples to the final fruition of a complete look all within a given scope. From this unique immersive approach, take your first brave steps into the Fashion Industry.
