

Virtual Fit Evaluation

Overview :-

This course aims to give participants a holistic understanding of how patterns and virtual garment samples can be created using Virtual Fit software. Students will be able to evaluate fit and style virtually and create pattern alteration, accessories and trims placement across all garment sizes thus eliminating the need for full-size set samples. Participants will learn to develop virtual library of pattern pieces, fabrics, accessories, trims and prints for their future reference. This course is highly recommended for Virtual Fit users to enhance their skill set.
